

# 42" TABLE AND CHAIR SET

## Specifications

Create a stylish outdoor space with our standard height patio table with 4 chairs. Perfect table and chair set for a patio area, sitting under an umbrella by the pool or any other area.

This unique outdoor table has many great features including our small hole perforated metal design and an umbrella hole.

The tabletop and seats are coated with a textured polyethylene that hides scratches and scuffs, while the legs are coated with a super durable powder coat in your choice of color making this product durable and ready for years of use.
